POLICIES

General Policies

All advertising content must be submitted a minimum of 10 business days prior to the event move-in date.

Content submitted fewer than 10 business days before move-in may be subject to a $250 late fee. If final content is not received at least 3 business days in advance, BMO Centre cannot guarantee that the content will be displayed by the event start time.

All content is subject to review and approval by BMO Centre prior to publication. Content that does not meet technical requirements, venue standards, or applicable policies may be rejected or require adjustment.

Clients are responsible for providing content of suitable quality and resolution. BMO Centre is not responsible for pixelation, blurriness, poor image quality, incorrect formatting, or other visual issues resulting from client-provided files.

Basic adjustments to static content, including scaling, cropping, and minor formatting changes, are provided at no additional charge.
Basic static ad design is available for $50 per template. This service applies to static image advertisements only and does not include video production or animation.

Additional screen advertising options and custom placements may be available upon request and are subject to a custom quote.
BMO Centre does not guarantee a specific number of views, impressions, QR code scans, interactions, leads, or other advertising results.

At-the-Booth Kiosks

At-the-Booth Kiosks are installed and removed exclusively by the BMO Centre team.

Once installed, kiosks must not be moved, shifted, repositioned, disconnected, or otherwise altered by the client, exhibitors, contractors, or event attendees.

Power connection for the kiosk will be provided by BMO Centre at no additional charge.

At-the-Booth Kiosk packages include up to one (1) 10-second video and five (5) static images, with each static image displayed for approximately 10 seconds within the rotation.

The client is responsible for any loss or damage to the kiosk or related equipment caused by the client, exhibitors, contractors, guests, or other parties associated with the event. Applicable repair or replacement costs will be charged to the client.

Exhibit & Facility Displays

Advertising on Exhibit Displays is available exclusively to registered exhibitors participating in the corresponding event.

Facility and Exhibit Displays support static image content only. Video content is not permitted.

Content is displayed in rotation with other scheduled advertising. Rotation frequency and display time may vary depending on the overall playlist and availability.

Complimentary additional rotation time may be provided when available but is not guaranteed.

Equipment & Technical Conditions

Clients must not tamper with, disconnect, relocate, cover, modify, or attach items to BMO Centre digital signage equipment.

BMO Centre may temporarily interrupt scheduled advertising content when required for emergency messaging, venue operations, maintenance, or technical issues.

In the event of a significant service interruption caused by BMO Centre, an alternative display period or placement may be offered at BMO Centre's discretion.

Please contact the BMO Centre Digital Services Team with any questions regarding content requirements, specifications, or these policies.
